

Turn healthy habits into rewards

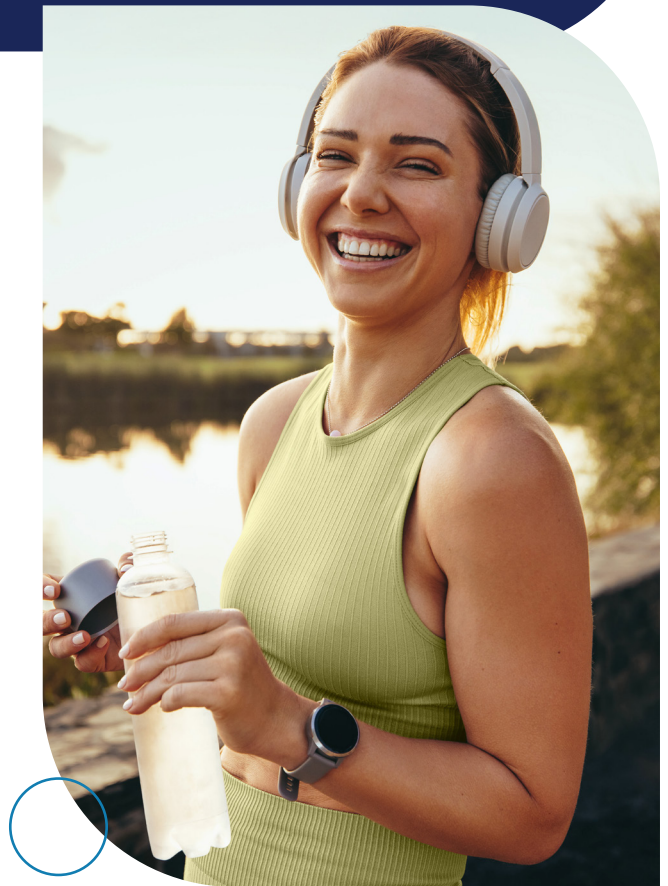

2026 Hertz Wellness Incentive Program

Through your wellness program with Quantum Health, you and your covered spouse or partner can take simple steps to improve your health and earn a \$600 reward per participant in 2027 to reduce your medical premiums.

Stepping into a healthier you

A few small steps today can make a big difference in the long run. To earn your incentive, complete the following items between 1/1/2026 and 12/31/2026.

- Complete the wellness assessment
- Get your annual physical or preventive screening. Be sure to let them know this is your preventive exam so they code the visit properly. *You will get credit for this activity once the claim is processed. Please note that retroactive credits or late submissions will not be accepted.*
