| Important Questions | | Answers | Why this Matters: |
|---|--|---|-------------------|
| What is the overall deductible ? | \$0 | See the Common Medical Events chart below for your costs for services this plan covers. | |
| Are there services covered before you meet your deductible ? | Not Applicable. | This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost sharing and before you meet your deductible . See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/ . | |
| Are there other deductibles for specific services? | No. | You don't have to meet deductibles for specific services. | |
| What is the out-of-pocket limit for this plan ? | \$2,500 Individual/ \$7,500 Family | The out-of-pocket limit is the most you could pay in a year for covered services. If you have other family members in this plan , they have to meet their own out-of-pocket limits until the overall family out-of-pocket limit has been met. | |
| What is not included in the out-of-pocket limit ? | Premiums , health care this plan doesn't cover, and services indicated in chart starting on page 2. | Even though you pay these expenses, they don't count toward the out-of-pocket limit . | |
| Will you pay less if you use a network provider ? | Yes. See www.kp.org or call 1-808-432-5955 (TTY: 711) in Oahu or 1-800-966-5955 (TTY: 711) in Neighbor Islands for a list of network providers . | This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services. | |
| Do you need a referral to see a specialist ? | Yes, but you may self-refer to certain specialists . | This plan will pay some or all of the costs to see a specialist for covered services but only if you have a referral before you see the specialist . | |

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
