

New Discount Program for 2022-2023

Introducing Perks at Work

A completely NEW discount program effective October 1st!

Hertz has partnered with Perks at Work to give you access to a broad range of perks that can save you money and help with your overall wellness. It's FREE for Hertz employees and their families and can save you time and a significant amount of money each year.

What is Perks at Work?

It's an exclusive shopping platform that lets you save online, in-store and via your mobile. You now have access to private discount pricing on your favorite brands, travel, everyday items, dining, movie tickets and more.

Whether you're buying food, booking a weekend getaway or purchasing a laptop, Perks at Work has negotiated with thousands of merchants to offer the best value as part of a closed network.

Let's Go! Activate Your Account Today

Begin shopping at Perks at Work to take advantage of best-in-market pricing. To get started, simply:

- Log in to <https://www.perksatwork.com/hertz>, and
- Register with your **hertz.com** email to activate your account.
- If you prefer to use a non-Hertz email address, you may do so, but some Hertz exclusive discounts may not be available if you do.

Once registered, you can set your own communication preferences and start saving. You can invite your family members or friends to enjoy these exclusive savings, too. Just log in to Perks at Work, click *My Account* and select *Invite A Friend*.

Loyalty Currency

On top of the discounts, you get added value on online purchases in the form of WOW Points. These are like credit card points that you earn and redeem like cash toward future Perks at Work purchases. There are no restrictions, and they never expire. In some cases, you can earn 10x WOW Points — that's like getting 10% back on your purchase!
