

Stop overpaying for your prescriptions

Need help saving money on your prescriptions? We've got you covered. **Rx Savings Solutions (RxSS)** is a free service—created and run by pharmacists—that can help you.

How it Works

Know Your Options

Your RxSS account shows how you can save.

Savings Notifications

Proactive messages tell you if you're paying too much.

Simple Switches

Changing to a lower-cost prescription is easy. RxSS can even contact your doctor to get it approved for you.
